

POLICEMAN SHOT DEAD IN CLEVELAND RIOT; MEN IN MOB HURT

Armed Railroad Workers Put
Up Stiff Fight Against Big
Force of Bluecoats.

CLEVELAND, O., June 18.—Policeman Edward Parker was killed and William Garlich, an express wagon driver, was badly wounded during a demonstration of one hundred striking track workers employed on the Pennsylvania Railroad at St. Clair avenue and East Twenty-sixth street here to-day. Garlich is expected to recover. Several men in the mob were less seriously injured. The track workers struck last night and to-day endeavored to make a demonstration when the railroad company put twenty men to work in their places.

A riot call was sent in and a big force of patrolmen answered. The police were greeted with a shower of missiles. They opened fire with pistols, several of the strikers replying. Parker fell dead at the first volley. A stray bullet struck Garlich as he drove past. One hundred shots were fired before the police restored order and took seven of the rioters into custody.

PERTH AMBOY IS QUIET.

Strikers Return to Work and
Armed Guards Are Disbanded.

PERTH AMBOY, N. J., June 18.—With practically the entire striking force of the American Smelting and Refining Company back at work and the return to-day of the 800 employees of the United Underground Cable Company, the only strike trouble left in Perth Amboy is of the mildest sort. Only the Harbor Asphalt Company's employees were still bickering and the girl employees of the Perth Amboy cigar works hadn't quite made up their minds whether or not they would yield. At the Federal Terra Cotta Works in Woodbridge the strike was practically over, and it is expected the 400 men who walked out from the De Tinning Company's roofing plant at Sea View will go back to-morrow. Indeed, the situation has become so peaceful that Sheriff Holtschewer is expected to disband his force of armed deputies before to-night.

WOULDN'T IDENTIFY HIM.

Rocco Romano of No. 908 Eagle avenue, the Bronx, who was accused of shooting Harold Mantz, a laborer who lives on a room at the foot of East Sixtieth street, at the corner of Fifth avenue and One Hundred and Twenty-fourth street last night, was held without bail for further examination on June 26 by Magistrate Appleton in the Harlem Court to-day. The cause of the shooting, according to three friends of Mantz who were walking with him when Romano pulled a revolver and opened fire, was a stirring word against Romano's race which Mantz had uttered in passing. After Romano had been arrested he was taken to Harlem Hospital, where the wounded man lay with a bullet in his abdomen and another in his right shoulder. Mantz refused to identify Romano as his assailant.
